President's Message

***“Volunteering is at the core of being human. No one has made it through life without someone else’s help.”***

Heather French Henry

This was very evident at the District One Spring Conference this past week. Altrusans are amazing. So many lives are impacted by the projects and the hard work done by all the clubs in District One. You inspire me and I am so very proud to be one of your “sisters”. I would like to thank you all for your help with the registration table, putting together the goody bags for all who attended, setting up the fundraising fair table and selling our knitted items. Many hands make light work for sure!

We have a busy spring line-up for projects and fun events coming up. If each member chooses just one project to help with, that will be amazing. Remember, you do not have to do everything, just pick one you feel you have a talent for or passion for and help out on that one. We are all making a difference in our communities and I appreciate each and every one of you for what you do. I can't say that enough.

I am excited that we may be growing our club with some potential new members. Inviting a friend to join you on a project is a great way to show people what we do and how they may fit with our group, or how our club may fit into their life and fill a need for them.

*Nancy Spaulding, president*

## Monday, April 4, 2022 - Club meeting - MJ Pettengill

*Author and social historian, MJ Pettengill was our guest speaker in April. MJ presented us with a wonderful story about previously unknown people. A simple event in her life created a passion to research and write the story of these people and who they were. It has led her to complete 3 books in a series and a 4th one in progress. The history that she revealed is the beginning of social services and the care provided by a community to its citizens in need. She writes with honesty and no judgement. Her books although fiction are set in Granite (a part of Ossipee) and she makes the people more real as the places are those we know.*

*MJ's talents and interests are many but she shared her passion and her path to pursue this passion with all of us.*

*We thank her for enriching our lives. I can't wait to finish reading the series.*

# Member Appreciation

**WE**   
**OUR MEMBERS**

Annual Dues need to be paid by June 1st. These dues include \$55 for International, \$15 for District One and the club has always retained \$20 for its operations. **This year (2022-2023) the Board of Directors decided to waive all club dues (\$20) in appreciation of members maintaining their membership during such unsettling times (Covid).**

Members are asked to submit a check in the amount of \$70 to Barb Kennett, the newly elected treasurer of the Carroll County Club. She will not deposit these checks until June 1st. The checks should

be made out to Carroll County Altrusa.

She will then pay the International membership and the District One membership. There is a \$10 penalty for late dues (after June 15th). So it is appreciated if you would let Barb know if you are not renewing or if you are going to be delayed in your payment. We can work out a payment plan.

## Annual Dinner Meeting and Installation

Continuing with our Member Appreciation, this year for our annual meeting on Monday, June 6th we will be going to Rivers Edge Grill and Tavern at Indian mound golf course. The club will be paying for a portion (approximately 1/2 the cost) of the meal and we will ask members to make a reservation and pay \$15 to cover part of the cost of the meal. Checks need to be made out to Carroll County Altrusa. If you make a reservation you are committed to pay the \$15. Checks will be collected at the door the evening of the event. Reservations

and meal choice need to be made by May 20th with Diane Robinson. There will be a sign up sheet at the May 2nd meeting. The menu has 3 selections: you will have to make your choice prior to the dinner

**Beef Tenderloin**  
**Chicken Marsala**  
**Salmon**

Meal includes, crackers & cheese appetizer, salad, vegetable, starch and dessert. There will be a cash bar available.

We will be installing our new board of directors. Let's celebrate this year and make plans for the new year. The newly elected Foundation board will also be installed.

## Memories of Our Carroll County Altrusa Sister, Kathy Miller.

By Nancy Spaulding and Kathy Somerville

Kathy Miller passed away peacefully at Mineral Springs Home on April 14, 2022, after a lengthy battle with Parkinson's disease. She and her husband, Bruce retired to Conway in 2013. She joined Altrusa International of Carroll County, NH in 2014. One of the things we loved about Kathy was her beautiful smile that lit up her eyes. She traveled with us to the District One Conference in Bermuda in 2014 where she was initiated into Altrusa by Anne Marie Snyder, the Governor of District One. Anne Marie even gave Kathy her own Altrusa pin during the ceremony which made Kathy feel incredibly honored.

Kathy loved the social part of Altrusa and loved spending time with her Altrusa sisters. She truly thought of them as her sisters. She enjoyed being on the hospitality committee and loved planning with that committee, especial the Tri-club birthday party. She was a great organizer and was super at organizing our supplies and all we needed for our dinner meetings. She was experienced at this as she had done that for the

company she worked for in Connecticut, planning and organizing receptions.

She always helped out at the reception desk at the Making Strides Cancer walk a fundraising walk for the American Cancer Society. She said she couldn't do the walk but this was the way she could help out. Kathy also had a great time playing an "elf" at the Literacy "Polar Express" event in North Conway.

Kathy loved to travel and she was able to travel with her Altrusa friends who she said were great travel buddies. She loved the trip to Nashville, Tennessee in 2018 for the International Convention, which was her last trip, due to her health. She loved to reminisce and laugh about the wonderful time she had. She was a wonderful friend, and a kind and generous person who gave with her whole heart. Our club and all of our members benefitted in countless ways for knowing this wonderful lady. She will be greatly missed. Rest in peace.

## Membership Committee

Co-Chair: Barb Kennett & Ruth Stevens  
Members: Peg Poirier, Diane Robinson,  
Marsha Brown, Beth Wheatley Dyson

The membership committee will be planning and preparing for the installation of the new board of directors of the club and also of the Foundation. This will take place at the Annual meeting held in June. More details will be available at the May meeting. They are looking forward to supporting and encouraging members to recruit potential new members and will meet at some point to make plans for the future.

## Hospitality Committee

Co-Chair: Jan Estes & Diane Robinson  
Members: Kathy Laracy, Donna West & Janel Maxwell,

The committee has selected Rivers Edge Grill for the location of our Annual club meeting. Reservations will be required and made by May 20th. We encourage you to bring friends and guests. They are always potential members. The cost will be \$15 per person (the club is paying for the balance of the cost which is \$30). This part of our Member appreciation efforts.

Make reservation with Diane Robinson. She will have a sign up sheet at the May meeting, but if you didn't sign up, please contact her. You will need to bring a check for \$15 made out to Carroll County Altrusa and pay the night of the dinner.

## End 68 Hours of Hunger

Packing End 68 Hours of Hunger returns on May 26th. We have not heard if there will be packing during the summer months, so please check your emails for updates. We pack the 4th Thursday of the month.

## Adopting Grace House

April 14th, Cathy Baybutt delivered 4 more comfort bags to the Starting Point main office. Along with the bags she delivered 3 fleece blankets and an assortment of flash cards and card games and personal calendars. To date we have delivered 9 comfort bags with 4 complete bags ready for delivery.

As we get a feel for how many and how often we will be providing these bags we will have a better idea of what will be needed for next year's budget. To date we have spent about \$375. But this includes storage tubs and a few bulk items. We will always have 6 bags ready to deliver and items for the family bin.

At the May meeting, Cathy will have a shopping list and ask members who wish to shop to complete the list and bring items to the June meeting (or deliver to her house). By asking members to shop, each bag has a personal touch along with a personal note of encouragement. It is an easy way to have members participate in a worthy project. Contact Cathy Baybutt if you have any questions.

## Habitat for Humanity - Woman Build

We are still planning to provide meals for Habitat for Humanity- Woman Build, but because of site limitations the date has been postponed. Sue Battles has everything organized, ordered and ready to go when we receive the date. Hopefully by the May meeting we'll have a date and can review the sign up sheet.

# Literacy Committee

Co-Chair: Lorraine Streeter & Barbara Kennett  
Members: Cathy Sholtanis, Beth Wheatley Dyson, Sue Battles, Judy Workman, Marilyn Hughes

## MAIL FOR ME

To date we have paid \$717.40. The budget was for \$750.00. We will continue this program in the fall. We provided 21 subscriptions to young people who will be receiving their Mail for Me subscription for a year.

## BOOK BAGS FOR BABIES:

After a successful cutting party for the book bags for babies last month, our stitchers are working on the assembling of the book bags. Gail Marrone from the Friends of Cook Memorial Library contacted us and said she was out of bags. Cathy B had 3 in reserve and 3 newly stitched bags, so she delivered them to Gail. The FOCML have included new brochures and literature for parents as well as the 5 children's books, so it was decided that the Jim Trelease books would be used as gifts to other libraries or the child care centers. The literacy committee will make that decision. This year the BBB project cost \$305 with a reserve fund from the Tamworth Foundation.

This photo shows members with both the Book Bags for Babies and the Make Way for Readers bags. It was a productive afternoon.

## MAKE WAY FOR READERS:

The Literacy Committee and members packed up 200 bags for this project. The Dr Seuss bag includes a book magnet and literature about their local libraries and the 1000 Books Before Kindergarten program that 10 local libraries participate in. These bags will be distributed to the child care centers that have new families. Our goal is to encourage families to read together particularly with their pre-school age children.

## Communication Committee

Chair - Cathy Baybutt  
Members: Thelma LeBlanc, Betsy Spencer,  
Beth Wheatley Dyson (Blog updates),  
Kathy Somerville (Brochure & Yearbook)

This committee has several projects to complete and we need your help. At the meeting, I will pass around a master copy of the yearbook names / addresses and contact information. Please take time to review and correct any errors in your section, then initial that this information is correct.

We will also have a sign up sheet for the committees. We expect the members to participate on at least one committee. This is your opportunity to get involved and also get better acquainted with the other members: The committees are:

**Communication**  
**Membership/Hospitality (newly combined)**  
**Community Service**  
**Literacy**  
**Finance/Grant Writing**

The committees usually meet and then determine who the chairman will be. The chairman is responsible for calling meetings and setting the agenda. The work is done by the committee and then their topics are presented to the club for general membership approval. Each committee helps plan the budget for their committee. This process encourages every member to participate and helps spread the club responsibilities out. .

## Altrusa International of Carroll County NH Foundation

*In the past, the Carroll County Foundation and the Carroll County Club had the same people serving on their boards. Altrusa International Foundation (who is our parent organization) has revised the by-laws and now requires that the Boards have separate people on them. In an effort to come into compliance, the club has elected 3 members to serve on the Foundation Board. These three members determined their positions and will send reports periodically to the Club Board of Directors and to the membership. Attached is the first report. Cathy baybutt, foundation treasurer*

## Altrusa International of Carroll County NH Foundation

That's the official name of our foundation. We have always kept the books separate for the charitable donations but this year the Altrusa International Foundation has asked us to separate our boards completely as our foundation falls under the umbrella of the International Foundation. So we have done that.

The three members elected to the CCA Foundation board held a meeting on April 14th and have elected the following board of directors:

- President - Lorraine Streeter
- Secretary - Judy Workman
- Treasurer - Cathy Baybutt
- Assistant Treasurer - Barbara Kennett

The board also decided to invite Barbara Kennett to serve on the board and she will serve as assistant treasurer. The decision was made to assure there is a back up plan in case someone is traveling or becomes ill. Both treasurer's will have access to these accounts.

Plans for the future:

- The CCF Board will create a budget and present it to the club board for their input.
- Installation of Board
- Signature card update at bank
- Bond application
- Reports to the International Foundation

Submitted by Cathy baybutt, foundation treasurer

At Spring Conference there was a hands on workshop for the Days for Girls sewing kits. It was well received and many members attended and even worked on different components. Our club had budgeted to send \$250 to Days for Girls this year. We raised \$109 in donations and sales of cotton dishcloths (member made). This money was sent as a donation to DFG. We will continue to work on the possibility of establishing our own work

session(s) for Days for Girls. We all have a better idea of what is involved, so stay tuned and we'll see what develops. cathy baybutt

## District One - Open the Door to Service Spring Conference April 23-24

The 2022 Spring Conference is in the books. It was a wonderful event with eight members attending and one guest. Being co-sponsors with the Meredith and Laconia clubs made the work much easier. We all declared that the three clubs working together was great and hope to find some projects that we can do together as well.

The program was filled with business, presentations, awards, chit chatting

and the fundraising fair. The key-note speaker was Katie Pelczar from CASA. She talked about the importance and responsibilities that a CASA volunteer has. It was inspiring to all. Our International representative, Kitty McElhane (from Florida) brought us greetings from International and offered ideas and impressions from her visit.

Katie Pelczar - -CASA

Kitty McElhane

The Fundraising fair is always a good time and a bit of a frenzy. We had many of our farmers market sale items plus our newest most wanted item, knitted/crocheted market

bags. Those were most popular and encouraged us to knit up more for this summer. A total of \$305 was made with \$40 cloth dish cloth sales designated for Days for Girls. Thanks to Pat M and Kathy S and Barb for taking care of the sale table. We sat together at dinner and enjoyed our local "Bakery Band" as after dinner entertainment.

# District One Service - Soldiers Care Package Outreach

## Soldier Thank you notes

You may not realize but this is a different photo of the Soldiers thank you cards. The cards are sent about every 6 weeks.

This month we had nearly 50 cards. We received an email from Pastor Joy that on the Monday after Easter, she was all out of thank you cards and had none to include with their packages. Then the mail arrived with our package of notes.

We talked about how people get enthused about a project and then the enthusiasm fades and people move on to other projects. I told her that I was not going to move on. This project is not difficult, anyone can participate and it really is important. One card, one box can make the difference to a young soldier, sailor, or marine.

So let's keep the cards coming. I will always have blank cards if you need them.

Think about it if we have 25 people each write 3 cards, that's 75 cards. Also, when fall comes, I have a large assortment of Christmas cards. I'll take cards any time you have them. What about having a grandchild write a thank you card? Or your spouse? Or your sister? Or best friend?

Let's see how many cards we can write and keep them going all through the summer.

**THANK YOU... I look forward to your cards and your kind donations. Cathy Baybutt**

## In Kind donations

We know that members are always picking up things for meetings, donating items for Soldiers, donating items for sale at the farmers market etc. It would be very helpful to know how much is actually donated... in kind. In the past we tried to use a form and have members fill it out. That didn't work well. Cathy has decided to just keep an envelope. If you purchase something, save the slip and give it to her at a meeting, Make a note as to what the purchase was for and who made the purchase. If you don't have a slip.. just write in on a piece of paper. At the end of the year we'll add up the slips and enter the total on the line item in the budget.

**THANKS FOR HELPING WITH THIS BOOKKEEPING ITEM.**

## Club 21- Donation Altrusa Foundation

Our Club has supported the Club 21 program at International Foundation for years. Annually we vote to send \$210 to this specific program at International Foundation. We also encourage our membership to make an annual individual donation of \$21. I have included a QR code that should guide you directly to the correct part of the foundation website. This allows you to make your donation directly on line. Last year our checks were lost in the mail and never arrived in Chicago. This year I encourage members who wish to participate to make their donation on line. If you have any questions or in need of help, please feel free to contact me, Cathy Baybutt
