# Club Visits by District Officers

*An Opportunity to See Our Clubs in Action*

## Background Information

One of the most important personal services of the District Board of Directors is to maintain regular contact with the local clubs through a system of official club visits conducted annually with each club. District leaders come as consultants to help the club appraise its entire operation, answer members' questions and bring the club into a closer relationship with District and International.

Under International policy the Governor or Governor-Elect must visit each club once every four years. Clubs not visited by the Governor or Governor-Elect are to be visited by another member of the board. The Parliamentarian, Secretary, and Treasurer serve as resources for the clubs in the areas of their expertise but are not required to do local club visits.

One of the primary purposes of club visits is to establish a regular channel of communication between the district and its members. Through the system of official club visits each club has a regularly assigned member of the Board to whom they can turn for advice and answers to their questions.

An official club visit provides an opportunity for each club to evaluate its strengths and weaknesses in consultation with the assigned Board member. It is also a time for each club to let the District Board know what services it would like to have provided for them. At each District Board meeting the officers share with the Board the joint assessment of each club and make service requests on behalf of that club.

## Responsibilities of the Governor for Club Visits

- Educate clubs about the purpose of official club visits and how the visits can be most advantageous to each club.
- Train District Officers how to make the visits and be responsive to the special concerns of the club.
- Insure that each club president is aware of the District Officer who has been assigned primary responsibility for the club.
- Develop a schedule of official club visits that insures the Governor or Governor-Elect visits each club during the four years of service.
- Assign a board member to each club for an official club visit and as a primary contact.
- Maintain a history of official club visit reports.
- Insure that club visits are carried out as assigned.
- Be available to all clubs as a point of contact in addition to the regularly assigned officer.

## Responsibility of Officers for Club Visits

- Ask the club president to complete the **Pre Visit Survey** form prior to the date of the official club visit. Club president sends a copy to the assigned District Representative as soon as form is completed.
- Obtain from the club president an up-to-date Strategic Plan (if available)
- Schedule and carry out an on-site visit with each assigned club. An on-site visit includes a meeting with the Board of Directors and active participation in a club meeting. Active participation includes a brief report from the District and an opportunity for club members to ask questions about the District. It may also include a short presentation on a topic of interest to the club such as leadership development, membership recruitment and retention, planning successful projects, etc. as requested by the club president.
- Send any follow-up materials requested by the club.

- Within two weeks following the visit, write a letter to the club to express your appreciation for the opportunity to visit with them. The letter should also share your observations during the board and club meetings noting strengths and weaknesses (if any) of the meetings.
- Provide a copy of the follow-up letter and the ***Pre Visit Survey*** form to the Governor and retain copy to keep in District records and pass along to next year's visitor.
- Complete the ***Club Visit Summary Report*** for presentation at the next district board meeting.

### **Responsibilities of the Club President for Club Visits**

- Work with the assigned District Officer to schedule an official club visit including an opportunity to meet with the Board of Directors either before or after the club meeting.
- At times it may be necessary for an officer to request that you hold your meeting at a time other than your regularly scheduled meeting time. An example of this might be an officer who has been assigned two neighboring clubs and needs to meet with both of those clubs during one trip. If requested to schedule an alternate meeting time, please make all reasonable efforts to accommodate this request.
- Complete the ***Pre Visit Survey*** form and send to the District Officer.
- Provide an up-to-date Club Strategic Plan
- Provide the assigned officer directions for locating your meeting site. Provide information on low cost overnight accommodations (or arrange for housing with one of your members) in situations where the assigned officer must spend the night in your city.
- Make sure that all club members are aware of the date of the official club visit to insure they have an opportunity to meet and talk with a District Representative.
- Share with the assigned officer any specific questions or concerns to be addressed during the official club visit. This includes requests for speaking on a special topic during the visit.
- Share the follow-up letter from the assigned district officer with all club members.

# Other Club Contacts

*Making Sure Our Clubs Know We are There for Them*

## Background Information

In addition to making an annual club visit, Board members assume primary responsibility for all the clubs assigned to them. The Board member is a personal resource to each club president, offering general support and providing information about Altrusa International, Inc. and District One as needed. This is the way through which we insure that all clubs have input to the Board of Director regarding their needs and wishes.

## Responsibilities of the Governor

- Insure that all club presidents know how to contact the Governor.
- Respond promptly to all requests for assistance.
- Read all club newsletters and yearbooks received.
- Encourage all clubs to participate in District-sponsored activities such as workshops, seminars and conference.

## Responsibilities of Officer

- Establish a schedule of regular communication with the president of each club to which assigned (at least quarterly?). Communication might include: telephone calls, video-conference, e-mail or written correspondence.
- Participate in major club events such as anniversaries and officer installations, if possible.
- Follow up with clubs on specific items as requested by the Governor.
- Encourage all clubs to participate in District-sponsored activities such as workshops, seminars and conference.

## Responsibilities of Club Presidents

- Keep in touch with the District Officer having primary responsibility for your club and initiate requests for assistance as needed.
- Insure that the Governor and your assigned officer receive copies of your newsletters and yearbooks.
- Respond promptly to requests for information.
- Participate fully in District Conference, Workshop and other district-sponsored events.
