Club Treasurers play a vital role in their Clubs. A good Treasurer helps to keep Club members satisfied and happy, by effectively handling the Club's financial matters, freeing up the other members to effectively implement the Club's other important activities, services and recruitment.

District Dues: Check with your District Treasurer regarding half year dues and late fees. As Club Treasurer you are responsible for remitting District Dues directly to the District Treasurer.

Note on Planning: The Club Treasurer is responsible for collecting annual dues and submitting them to the International Office and the District Treasurer by June 15. The Club Treasurer is also responsible for updating membership records, which can be time-consuming. Please note: there are new on-line dues procedures for renewals, new members and updating membership records and Club's invoices. See Instructions in this mailing.

Work with your Club Board to establish an appropriate deadline to allow you to complete the dues process before the deadlines. Make sure you notify all members who do not pay by the deadline of any late fees required by International Bylaws and District Policies.

Submitting Dues

The Club Treasurer is responsible for submitting all dues payments and fees (convention fees, district conference fee, reinstatement fees and new member processing fees) to International and District by the June 15 deadline. If payment is not postmarked by the deadline each member of the Club will be subject to a late fee. Club Treasurer is responsible for submitting late fees with late dues to International and District.

Dues payments are non-refundable. Exercise caution when advancing payments on behalf of members.

We recommend that you do not wait until every member has paid their dues before submitting them because you risk incurring a late fee for every member. Send the payments you have received so that members who paid on time are not penalized.

Club Treasurers are responsible for submitting District Dues to District Treasurers. Contact your District Treasurer for District annual dues, late fees and reinstatement fees.

Payment Options

The most convenient way to pay your dues is online using Group Tally. If you wish to make arrangements for an Electronic Funds Transfer (EFT), please contact the International Office well in advance of the deadline to make arrangements. *Payments by credit card made through Group Tally payment center is subject to a convenience fee.* It is advised that Clubs do not submit yearly dues for members who have not paid dues to the Club. Dues may not be advanced by any Club for any member, nor shall the Association refund dues or transfer dues from one member/Club to another.

Special Instructions for non-US Clubs

All dues and fees submitted to International must be sent in US dollars. To better serve our non-US Clubs, we have created an online payment option that allows non-US Clubs to make payments in US dollars on the Internet using a Visa or MasterCard.

Members on "Leave of Absence"

Granting a leave of absence is a matter between the member and the Club. Members on leave must still pay their dues to remain Active members or be subject to a reinstatement fee when their leave is ended.

Cyber Fraud

Please be aware that there are people out there committing cyber fraud. We have had several incidents recently where District Treasurers have been asked to make payments supposedly with the email coming from the Governor. Some are very clever, and it looks like they are using the Governor's email address, some are less clever and using a bogus email address. Please be very careful when making payments and be extra vigilant regarding not only authorizing the payment but ensuring the bank account is valid. For example, some fraudsters are intercepting genuine business invoices being emailed to people and changing the bank account numbers and then companies are paying these genuine invoices to what they think is the right bank account, but it is not. We are concerned that this fraudulent activity could start coming to club Treasurers as well. Please ensure you do not provide any financial information/passwords to anyone via email. They use this as a door way to conducting increasingly sophisticated frauds. If you are unsure about a payment request, we would suggest you pick up the phone and talk directly with your Governor (or in the case of Club Treasurers - your Club President). Remember if it seems strange then you are best to do some extra verification!

In order to protect yourself wherever possible, we urge you to:

- Regularly change your passwords
- Monitor your online banking - if you notice any suspicious activity, please notify your bank and the Police
- Monitor your email accounts - if you notice any unusual activity, update your anti-virus software
- Be wary of international phone calls of unknown origin
- Be wary of clicking on links and attachments from senders you don't recognize, or emails from friends and family that don't look normal

IMPORTANT INFORMATION FROM THE “IRS”

FILING REQUIREMENT FOM SMALL TAX EXEMPT ORGANIZATIONS

Small tax-exempt organizations whose gross receipts are normally **\$50,000 or less** are not required to file Form 990-EZ, Return of Organization Exempt Form Income Tax. With the enactment of the Pension Protection Act of 2006, these small tax-exempt organizations will **now be required to file an electronic Form 990-N** with the IRS **annually**. Exceptions to this requirement include organizations that are included in a group return, private foundations required to file Form 990-PF, and section 509(a)(3) supporting organizations required to file Form 990 or Form 990-EZ. If you prefer, you can file Form 990 or Form 990-EZ instead of Form 990-N. However, the entire form must be completed or it will not satisfy the annual filing requirement.

Even though Altrusa Clubs and their Foundations fall under the tax exempt umbrella of Altrusa International, they are not included in Altrusan International's Income Tax Return. Altrusa Clubs and their Foundations **must** file Form 990-N even though their gross income is \$50,000 or less.

Form 990-N, also know as the **e-Postcard**, must be filed electronically. There will be no paper forms. The IRS has developed an electronic filing system for the e-Postcard.

The e-Postcard will be due every year by the 15th day of the fifth month after the close of your tax period. For Altrusa and the Foundation, this date will be October 15th. The e-Postcard will require you to provide the following information:

Organization's name	Organization's annual tax period
Any other names your organization uses	Name and address of a principal officer of your organization
Organization's mailing address and website address (if applicable)	A statement that your organization's annual gross receipts are still normally \$50,000 or less
Organization's employer identification number	If applicable, indicate if your organization is going out of business

Failure to annually file the Form 990-N (e-Postcard) or Form 990 or 990-EZ for three consecutive years can result in revocation of your tax-exempt status. Reinstatement after such revocation would mean reapplying and paying the appropriate user fee. For the latest information about electronically filing the e-Postcard, you can access the IRS website at www.irs.gov/eo.
