# Carroll County Chatter

## President's message Feb 2024

I was so excited to hear all the ideas for our club both through the survey and at our zoom meeting a couple of weeks ago. It is wonderful to get new perspectives from current and recent members alike! Since our meeting a couple of people have followed up with information about our possible family outing later this spring and the "Window dressing program" This means that at our in person March meeting we will have lots of details to work out, dates to choose etc.

At the March meeting we will also gather into small groups to do a bit of get to know you activity. This will hopefully be a fun way for both long time members and new folks to get to know each other a bit more. That said we won't have a guest speaker so we can devote our time to working together.

The April Conference (April 26-28) is coming up at the Doubletree Hotel in Andover Ma. Our host club the the Seacoast but they had to go out of state to find an appropriate venue. The theme this year is "Everything is Coming up Roses." Friday afternoon will be a service project of making no sew fleece blankets for the homeless followed by an evening PJ party. All the details for the weekend are in the January issue of the DSB which you should have received. We do have some funds to assist with conference fees and would like to see members participate even if for a day. It will be very informative and a great way to meet other Altrusans from our district.

Looking forward to seeing folks in early March- continue sending good vibes for dry weather so we can actually meet in person in Madison.

Until then -stay warm and enjoy the sun!!!

**Beth**

Board Meeting	Mon - Apr 29 - Madison Library - noon
Club meeting	Mon - May 7 - Adult Day Center** - Conway - 5:30

## Highlights from business meetings:

Club members decided to meet via ZOOM during January and February. There is always the possibility of storms, bad roads and rescheduling isn't very easy. ZOOM has offered us the opportunity to have a meeting. Short and sweet.

### January 9th: Highlights:

- Beth explained what Club 21 (Altrusa International Foundation) was, that our club has donated \$210 to this foundation and that our club could sponsor the Laura Foundation for a potential Grant. The club voted to support the Laura Foundation with a \$2500 community Grant and to apply to International Foundation for additional grant of \$2500 for the Laura foundation summer camps. It was unanimously approved
- Pat McCoy proposed a joint program with the North Conway Community Center to offer **Moose with a Uke**. The members voted to spend up to \$500 to co-sponsor this program and provide books to the children attending. Motion passed unanimously.
- **Days for Girls** - A motion was made to increase our budget for Days for Girls from \$500 to \$750. These funds will be used to purchase panties & wash clothes and will be given to the Merrimack Valley club to use in their kits. The remaining funds will be sent as a donation to help with purchasing other items needed.

There was a discussion about Pond Hockey, Community Service meeting, and Book Bags for Babies. The ZOOM meeting ended abruptly at 5:38.

### February 6th: Highlights

Thanks to Governor Rita we used the District One ZOOM account so that we could extend our meeting and not be limited to the 45 minutes of the free ZOOM

#### Survey Results:

- Meeting schedule seemed ok with majority of members
- Suggestions for activities: a family picnic at Constitution Park in Ossipee, Game night at Madison Library,
- Community Service Possibilities: Lunch support for Habitat for Humanity (since Woman Build doesn't seem to be on the schedule), project at the Conway are Humane Society, Window Dressers - helping winterize homes - fall project - Make a difference day. Clean up the Kanc in collaboration with the Conway Rotary
- Fundraising: No plant sale or raffle this year, will work on securing dates for Cones with a Cause, and Flatbreads. Another suggestion was the American Legion on Tasker Hill / Fish Fry. We will have the book bins at Hannafords in N. Conway. We will follow up on the Tri-Tek events.
- Reminder that Spring Conference will be held in Andover, MA April 26, 27, 28th. Details were in the DSB Call to Conference. You can view on the [districtone.altrusa.org](https://districtone.altrusa.org). under news and events.. Call to Conference.
- The membership voted unanimously to use Charitable Gaming funds to support Tamworth Farmers Market (\$250), Valley Promotions (\$250) and the Seacoast club service project (\$250). There was discussion about a donation to the "Brown Church" for help with their devastating flood, but church member Judy Workman asked that we wait until their final assessment had been done... as they are unsure how they are going to proceed.

Meeting adjourned at 7:00

## Membership / Hospitality Committee

Co-Chair: Barb Kennett & Nancy Spaulding  
Members: Diane Robinson, Marsha Brown, Peggy Poirier,  
Pat McCoy, Gena Rowell,  
Jan Estes, Janel Maxwell, Kathy Laracy

The membership committee is so happy to welcome our new members:

Since last spring we have welcomed

Gena Rowel who was initiated in September  
Betsy Spencer who renewed her membership in the fall  
Tina Craig - initiated at the December Christmas Party  
Ann Marie Erler - initiated at the December Christmas Party  
Jess Therberge - Initiated at the December Christmas Party  
Pat Hoffman - will be initiated at the April meeting  
Maryanne Jackson - will be initiated at the April meeting  
Mel Lebel - will be initiated at the April meeting  
Anwen Robirds - will be initiated at the April meeting - will join soon

To explain.. once a person has paid their dues, they are officially a member of our Altrusa club. Because in person meetings don't happen during the winter months, we will have the initiation of our newest members at our April meeting. These wonderful new members are already volunteering, exploring opportunities, to help and sharing their ideas.

Last March the club had applied to District One for a Membership grant.. up to \$500. To receive the grant the club had to organize informational meetings, and plan some recruitment tools. The club had their brochures updated, printed business cards, advertised in the newspaper and held two informational meetings. This was successful and we submitted the details to District One. The \$500 reimbursement check was received and placed in to the club treasury. Congratulations to the Membership committee and to all of our new members who liked what they saw!

We also became aware of a reduced membership dues rate for young professionals. This applies to any member under the age of 30. It is ½ of the regular dues. If you know of any young person who might be interested in learning more about Altrusa, consider inviting them to any of our meetings, or activities and let them know about the reduced rate of dues.

## Soldiers Cards

Carroll County Altrusa has been sending thank you cards to soldiers through the [soldierscarepackages.com](http://soldierscarepackages.com) since a spring conference about 8 years ago. Writing cards (just one or two each month) is something that every Altrusan can do. It's the one project that we can have 100% participation. Wouldn't that be special? So perhaps some morning while you're drinking your coffee.. before you do the cross word or sudoku or wordle... take a couple of minutes and write a note of thanks. We have a lot of soldiers stationed in some pretty unstable places around the world. Let me know if you have cards, I'll gladly pick them up. My porch is always open and you can always leave them on the table. Or bring them to the March meeting - IN PERSON!!

## Community Service

Chairman: Cindy Hyatt

Members: Theresa Jones, Pat McCoy, Donna West,  
Pat Kehoe, Cathy Baybutt,  
Shawn Flanagan Rogers, Sue Battles,  
Lorraine Streeter, Judy Workman

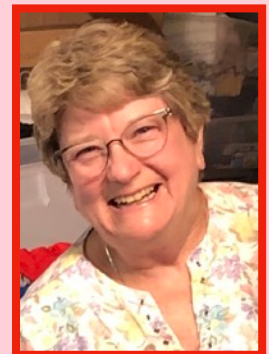

### News from Community Service

Our committee met at the end of January to catch up with one another, review the many service projects we have already completed, plan for those still to come this year, and consider some new ones. The three on-going projects (End 68 Hours of Hunger, Starting Point Grace House, and Gibson Lunches) as well as the six others (Halloween Town, TCCP, Foster Family Christmas Party, Christmas Cookies, Files for Life, and Pond Hockey) all went very well and we plan to continue them into the future. We decided not to do Valentine cookies – just not good timing – but may do a similar gratitude activity in the spring. We are awaiting confirmation on what is happening with the Habitat Women Build.

Moose with a Uke is scheduled for April 20 from 10-11 AM. Pat McCoy is taking the lead on this project which is anticipated to involve 3 volunteers. We can anticipate more from Pat as this event draws closer.

Community Service will be submitting Gibson Center Lunches for the Mamie L. Bass award at conference. Speaking of Conference (April 26-28), the District One Board has put mega effort into planning what they hope will be a fun and productive time. It is a really good opportunity for us as a club to bond and really get to know one another. It is a bit pricey; however, if we double, triple or quadruple up on rooms and maybe get creative about meals, we can make it more affordable. Think about it.

We had several ideas for new projects – Garage Sale for repairs to the Brown Church, Veteran's Day Support for our Soldiers reaching out to the community, community gratitude activity, and sponsoring a program about Advance Directives. Do you have additional ideas for new projects or thoughts on our current ones? We would love for you to join us at our next meeting on Monday, April 29 at 10:30 AM at the Madison Library. OR you can connect with any Community Service Committee member to share your ideas.

We will be asked to sign up for committees for 2024-2025 soon. You want to be on Community Service. You know you do. So sign up.

*Cindy Hyatt*

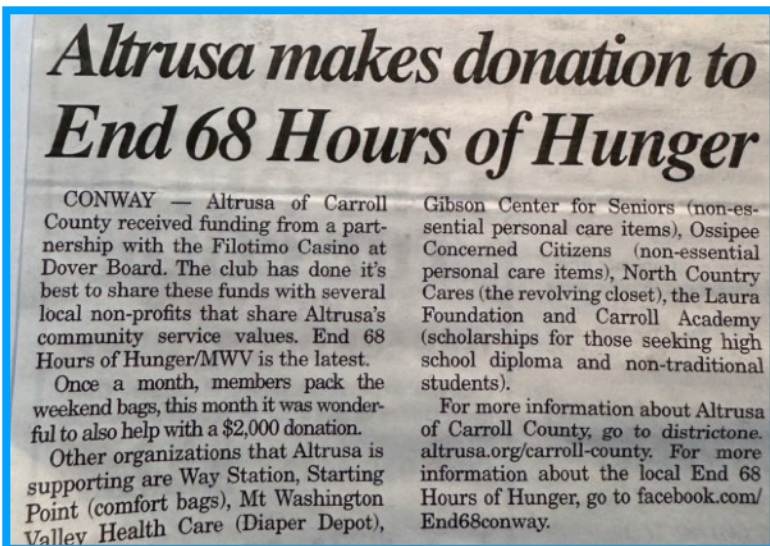

## Volunteering in January and February

Altrusans upped their game this month for the packing of End 68 Hrs of Hunger with a donation of \$2000. Charitable Gamine funds allowed us to continue making community grants to local organizations that we support. Conway Sun had a nice article in the paper.

Gibson Girls.. serving lunch once a month. February was fun as it was the end of Mardi Gras so there was a bit more celebration. Each month on the 2nd Tuesday different members volunteer to serve lunch at the congregate meals at the Gibson Center for Seniors in North Conway.

The past several years this fund raiser for the Laura Foundation has had challenges... Covid, Nor'easter, Rain & Slush. Altrusa club members have always been ready to volunteer, make soup and help out. This year it was the slush on the ice. Sunday volunteers worked in the food booth and helped with clean up.

## YOUTH POND HOCKEY FESTIVAL TO BENEFIT THE LAURA FOUNDATION

# Literacy Committee

Co-Chair: Lorraine Streeter & Barb Kennett  
Members: Marilyn Hughes, Judy Workman,  
Theresa Jones, Sue Battles

## Diary of a book bag

- Summer - shop for fabric
- December - order patches
- January - kits assembly (cut and sort pieces)
- January - sew bags
- Jan-Feb - home sewers complete bags
- February - deliver 12 completed bags to library
- Remainder of the year = Library seek parents of infants
- Spring - look for mom and baby carrying their bags and enjoying library programs
- The reward - Be happy that you have brought something special to a young family

## Communication Committee

Chair - Cathy Baybutt

Members: Thelma LeBlanc, Beth Wheatley Dyson, Nancy Spaulding

### **Communications Committee involves:**

Newsletter, Publishing the yearbook, Publishing the brochures and business cards

Printing items as needed, Calendars of events, Facebook updates, Blog updates

District Service Bulletin news to share, Public Service notices, Advertising - if needed

This committee doesn't meet on a regular basis, but is always looking for help. If anyone has interest in lending a hand and has tech skills... please give Cathy a call.

## What do you want to know about Altrusa?

**Carroll County Altrusa was chartered in May 2006 with 21 members**

**Remaining active Charter members are:**

**Cathy Baybutt, Jan Estes, Cindy Hyatt, Pat Kehoe, Pat McCoy**

**Peggy Poirier, Diane Robinson, Nancy Spaulding, Lorraine Streeter.**

**They have been Altrusans for 18 years.**

**Altrusa International of Carroll County NH is the official name of the club.**

- You are a member of the club and pay your dues to the club. Those dues help support club activities, like meetings, refreshments, name tags, etc.

**Altrusa International of Carroll County NH Foundation is the charity associated with the club.**

- As a club member you support the CC Altrusa Foundation through fundraising. The money we receive from fundraising is used to provide services to other organizations and individuals in the form of donations, scholarships, activities like the DCYF Christmas Party, or the Mail for Me literacy project.

Both the club and the foundation are registered with the State of NH and the foundation is a recognized 501(c3) charity with the IRS. This information is helpful if you ask for donations of goods and services from the community. Any funds that are donated to our Altrusa.. go in to the Foundation account to be used in our charitable works.

We have separate treasurers for the club and the foundation. Barbara Kennett is the club treasurer, she receives dues, then pays dues to District and International on before of the members.

Cathy Baybutt is the treasurer for the foundation. She writes the reimbursement checks for the starting point bags, Days for Girls purchases etc as well as the donation checks that are sent out.

Sometimes we "seasoned" members forget that the basics are good to know. Hope this is helpful.

## Mid year Recap of community grants and club project funds

Community Grants / Charitable Gaming	Budget	Year to Date	Over / under spent
Waystation	\$2000	\$2000	\$0
Ossipee Concerned Citizens - NFE	\$2000	\$1301	\$699

## Fundraising events

### Book Bin sales

Altrusa is the beneficiary of the book bin sales in North Conway Hannaford. **Starting February 29th for 3 weeks.** So if you have books that you would like to place in the Bin.. check with Barb. She might ask you to drop them at her house.. or at the store. If you happen to go in to the store ... check it out and let Barb know if they need more books. This has always been a very successful fundraiser for us.

 **AMERICAN  
LEGION**

### Other possible Fundraisers

Cones for a Cause  
Flatbread Pizza  
Tri-Tek volunteer  
Farmers Market sales  
Jams and Jelly sales  
Hannafords Ossipee  
Other?

### A new fundraising opportunity.

**AMERICAN LEGION #46**  
Tasker Hill Rd, Conway, NH

## FISH FRY

Friday, April 26, 2024

### Menu:

Fresh Haddock, fries, slaw \$15.00

Chicken Tenders, fries, slaw \$14.00

Assorted drinks/desserts,

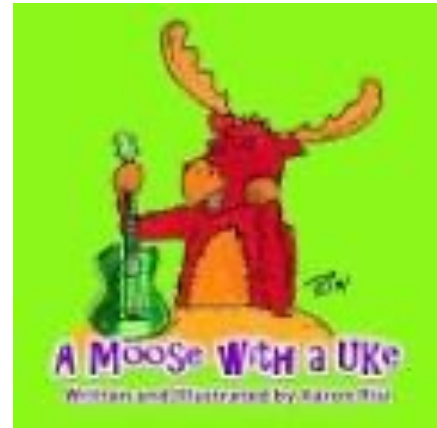

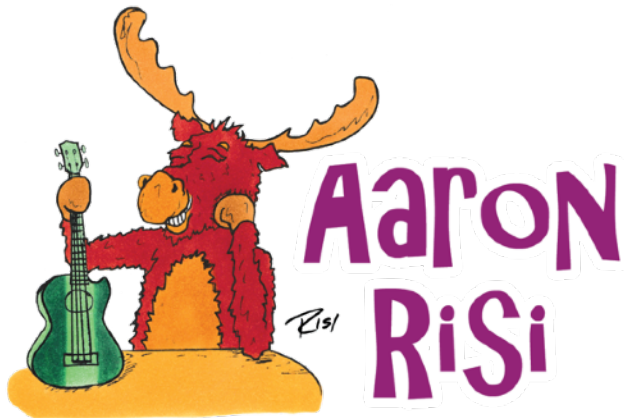

cash bar available

\$2.00 of every plate purchased will be  
donated to Carroll County Altrusa.

**Come and eat..no dishes to wash...no clean  
up..no set up or take down....Pat Mc**

**Carroll County Altrusa to co-sponsor Moose with a Uke event  
April 20th - Earth Day celebration**

## **Earth Day celebration**

Saturday, April 20, 2024

10:00 AM 11:00 AM

North Conway Community Center ([map](#))

[Google Calendar](#) [ICS](#)

### **Earth Day Celebration - April 2024**

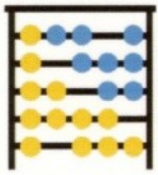

Come celebrate Earth Day with Monty the moose and your friends at the Conway community center. Singing, dancing and drawing are in store for this celebration of the planet. Free stickers and the opportunity to win a Ukulele and much more! Please join us at 10am

**FYI.. here is the information about Moose with a Uke. Check out Aaron RiSi [aaronrisi.com](http://aaronrisi.com) You can hear his music, see his art and check out his book. This is a fun activity for families. This is the family activity that our Altrusa club is co-sponsoring with the North Conway Community Center. Look for brochures coming to your email and at our March / April meetings. We need to spread the word about this fun family event.**

# Message from Governor Rita

## Altrusa District One

**INCREASING  
OUR NUMBERS  
THAT'S THE GOAL !**

Let us always remember we are a terrific group of women and men that freely gives their talents, time, and love to our communities. Special people like you and your clubs make our communities better. We are so busy doing community service and fundraising that we sometimes do not take the time to be proud of everything we have accomplished. Let us take the time to realize how great we are, how much we have accomplished in these past

months.

I just got an email from Diane O'Reilly our treasurer. We have 4 new members with rumors that more are coming. HOORAY! As you can see from the abacus we are moving up. We surpassed last year's numbers on our way to 350. Give yourselves a pat on the back. Great JOB!!!!

The district board has been busy planning the conference. All the registration materials are in the DSB. Please check with your members and make sure they are receiving the DSB. It is extremely important for everyone in Altrusa to get the DSB. If someone did not get the DSB please go in Group Tally at our website and check their email address. If you are having problems with group tally please reach out to Diane O'Reilly ( [ddoreilly51@gmail.com](mailto:ddoreilly51@gmail.com) ) or myself ( [rita@jonescove.net](mailto:rita@jonescove.net) ) for help. If the email address is correct in Group Tally and the member hasn't received the DSB, please let me know so I can contact International. Then, I'll send the member a DSB directly. You might also want to check if the member is reading emails

from International. Our DSB is sent through International and comes in an international email. They might have missed it.

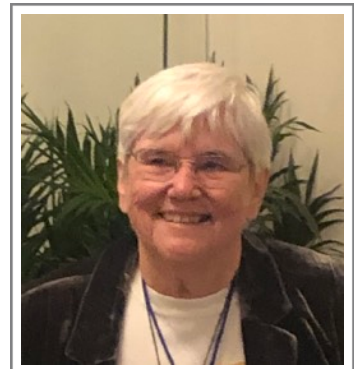

We truly live our vision as Altrusans: Leading to a better community through leadership, partnership, and service. Your district board and committee chairs are here to serve you, and we encourage you to contact us whenever we can help you. Remember "Alone we can do so little, Together we can do so much" Helen Keller

Again, please remind first timers to check off the box on the conference registration form.

All clubs should be getting candidates for the club's nominating committee. Wouldn't it be great if all clubs could get a double slate for their leadership positions??

Remember award submissions are due March 15th. Please make it your goal to submit the same number you did last year and **increase it by one**. Send them in early so you do not miss the deadline. All award submissions should be sent to Ann Milliard at [acmrpm@gmail.com](mailto:acmrpm@gmail.com).

Do not forget to enter Acts of Kindness and your book donation totals on the Altrusa International website under the service tab. I would suggest assigning someone in your club to do this once a month for two reasons 1. it takes it off your plate of things to do and 2. it is not forgotten. Also, please add service projects to the database.

Thank you for all you do. You are special.

*Rita*

## Plans for Spring Conference

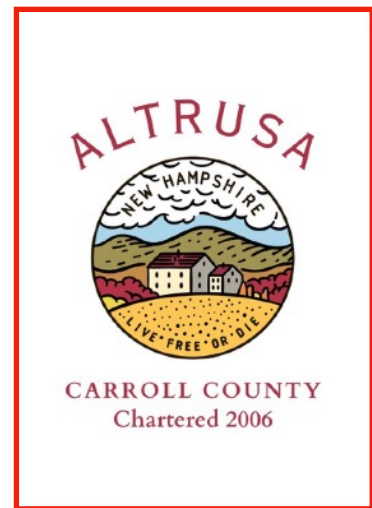

- Early bird registration - March 15th
- Registration form — make sure you select your dinner item and also mark if you plan to attend the PJ party on Friday night
- Make a reservation for your room - let's see who's going and double up
- Let's Car Pool
- Let Beth know if you are attending.. we will need delegates and alternates for conference

If anyone is interested in attending the **PJ party** on Friday night and wanted something unique to wear, I had a design made up for a t-shirt that you can order on line.. your style, your size and we can all wear them at the PJ party.

Because of International Logo restrictions it was easier to just come up with a fun image. So my friend at MagpieMoonUSA designed this to be used on t-shirts or anything that can be printed.

[redbubble.com](http://redbubble.com). If you go to this website and type in Altrusa.. there are two designs that come up. One is to be used on a dark colored t-shirt the other on a light color. You get to select your size, style, color and then you order it. It will be shipped to you directly. I ordered a couple of shirts on the 8th of February and they arrived on the 16th. I was thinking it would be fun to kind of match.. but the shirts would also be fun to wear when we're volunteering or doing other activities. No pressure to purchase. They can be bought any time as I think once they are designed you can go back any time and order. The good thing there is not minimum purchase and no one has to organize, collect money, deliver items. I thought about using the Chocorua logo that our friend Estelle painted for us, but again that goes

in to public domaine and I didn't want her painting out there for anyone to use. I will bring the shirts to the meeting in March and if anyone wants to try them on.. have a look.. that would be great. Cathy

## All District Service Project

The seacoast club will have a hands on service project for all of us to work on.. Friday afternoon. It is making non-sew fleece blankets. These are given to those in need of a warm blanket. At our meeting the club decided to donate money (\$250) towards the purchase of fleece for the blankets. Because the cost of fleece can be expensive, we decided that the Seacoast club could use the money and take advantage of sales. So I sent the check last week and hopefully JoAnne fabric will have some good sales between now and conference. You as attendees can also donate.. but I feel that our club donation was generous and will help them with their preparations.
