President's Message

This is my final newsletter article as your Co President. It's been a joy working with Nancy and Jess as a team. Working as a team allowed me to take the time to travel and also then this past year care for Dave (who is by the way doing well now so thanks for all the thoughts and prayers). I know that we will all be supportive of Jess as she takes the lead this next year. We have a mix of seasoned Altrusans and newer folks on the board so it will be full of energy and excitement. It is always good to have a mix of folks so that the seasoned folks can mentor newer folks and also hold the historical information that can be helpful in answering questions and giving context. Diane, Pat, Cindy and Barb and Cathy B will all provide great insights to be supportive to the new team, Jess, Tina and Pat H.

I've enjoyed my time on the board, as VP, as President and Co President and will remain as immediate past President but I am looking forward to taking a less visible role.

While the monthly meetings will end with our June 3rd celebration, the work will continue in the summer with time to socialize as well as support the Habitat for Humanity workers through our monthly lunches. If you'd like to help with that please connect with either Tina or Cindy. We will provide lunch to 24 workers the first Thursday of the month beginning in June. Your costs will be reimbursed.

I look forward to seeing some of you at the Tri Club party on May 20th at the BobHouse and at our annual celebration which will be held on June 3, 5:30 at the Gibson Center in North Conway. The hospitality/membership committee will send out food assignments soon. **Beth**

ALTRUSA INTERNATIONAL INC. DISTRICT ONE

69th Annual Conference

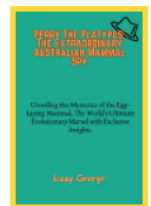

SEEDS OF CHANGE

May 2nd-4th, 2025, Altrusa International District One held their annual conference in Southbridge MA. The theme of the meeting was Seeds of Change. There were over 70 attendees from CT, MA, ME, NH (3-Carroll County members) and Bermuda. Ileana Pacheco Morales from Puerto Rico attended representing the International Board.

The conference kicked off on Friday afternoon with a workshop on Working with Canva and a Days for Girls Service Project.

The evening featured a buffet dinner followed by a fun filled night of Storybook Costumes, Maine Bingo (you had to be there), 60's TV music trivia and a round of assorted table games including Left, Right, Center. Our own Cathy Baybutt won the pot in her first ever time playing L,R,C!

The second day of conference was mostly a business meeting. The candidates for the 2025-2027 biennium were introduced. A financial review of the proposed budget was presented for consideration as well as a discussion on the ongoing losses from workshops and conferences. There will be follow up to gain a better understanding of why there is low attendance at workshops and conferences.

Ileana presents Governor Rita with appreciate plaque from International

Ileana Pacheco Morales from the International Board talked about "One Act of Kindness per Week" and requested that members log onto the website to document their "Kindnesses". She also invited everyone to attend the international convention in Quebec City Canada this coming July 23-26.

Prior to lunch there was a moving memorial service for the District One Altrusa members who have passed away this past year.

After lunch, the parade of chapter banners was conducted and our own Diane Robinson proudly carried our flag in the procession.

The guest speaker for the conference was author Cynthia Herbert Bruschi Adams. She shared her experiences as an author as well as reading some excerpts from her most recent book.

The afternoon continued with several workshops including team building, project sharing, book club/book swap and social media. Expect to see more Altrusa content on Meta for Business and YouTube.

After a fun walk down memory lane of Altrusa District One history, the meeting retired to the always exciting fundraising fair. Beautiful gifts, yummy treats as well as opportunities to win cash prizes were on full display outside the conference room. Thanks to our members who provided plenty of great items for the chapter to sell!

Pat Jackowski - memorial service

The evening featured a very nice sit down dinner with a diverse menu sure to satisfy anyone's palette. Dinner was followed up by an installation of new Officers and Board Members for the 2025-2027 biennium. Cathy Baybutt was recognized by the past Governor (Rita Cote) for her ongoing support and friendship. This was the Governor's Award.

The final day of conference featured the new Governor and her Board kicking off the biennium. There was a vote conducted whereby the budget was approved. The major awards of the conference were presented and Carroll County won 2nd Place for the Mamie L Bass Award.

The Foundation received \$1230 from the silent auction.

Calls to conference in Quebec in July (23rd - 26th), Fall Workshop on November 8th (CT hosting) and Spring conference April 24 -26th (location TBD) were extended.

Overall a very productive conference with lots of sharing of ideas as well as time to catch up with old friends and to make some new ones. It was an excellent experience and well worth the time and money spent to attend it.

Thank you to Cathy D for writing this summary and her impressions on attending her first Spring Conference.

Awards received

Diane accepted 4 **membership awards** which the club received.

- 1st place for largest number of new members (7 members),
- 1st place for increase in overall membership (4 member gain)
- 1st place highest % member gain - 23% member gain
- 1st place highest % member NET gain - 13%

Cathy B received 1st place for the District One **Newsletter Award** for the Carroll County Chatter.

Cathy. D proudly accepted the 2nd place **Mamie L Bass Service Award** for the Foster Family Christmas Party.

Sponsorships

Also receiving recognition pins for being member sponsors. This is an accumulated sponsor award:

Sue Battles - 2 members
Jess Theberge - 2 members
Pat McCoy - 6 members

Governor's Award

The Governor's Award is given by the Governor to a person who has assisted the Governor through out the 2 years of her biennium, Cathy

Baybutt and Denise Doyon were selected. *(I was so honored to receive this award - Thank you Rita)*

April 8, 2025 - meeting

If April showers bring May flowers, we should be really blooming by May. At the April 8th meeting the club was showered with information. Our guest speakers were Donna Dodge, Dietician from Memorial Hospital and Joy Gagnon, Health and Wellness educator from UNH Cooperative extension.

We learned how to read labels.. WHOLE WHEAT.. is good.. even though labels make you think it's whole wheat.. you need to be an informed consumer. Check out UNH Cooperative Extension - Carroll County.. they offer many programs (some are even available on line). Thank you to Donna and Joy for showing us how to make better choices.

Our 2nd shower of information came from Penny Eldridge our District One visitor. She shared information about District One, information about the Spring Conference and what we would be voting on at the conference. Thank you Penny for keeping us up to date.

We also had 4 guests who were there to learn more about Altrusa.. you guessed it, we showered them with information. Then we broke into a work session.. the community service

committee and the literacy committee met and reviewed and updated the proposed 2025-2026 budget.

Women Build on Mother's Day weekend. Future plans are being made to provide meals to workers at Habitat for Humanity. Plans for District One Conference and the Annual Tri-club birthday party sponsored by the Meredith Altrusa club on May 20th. There is a lot going on.

May 6, 2025 - meeting

The May meeting was again filled with so much information. Our guest speaker, Joy Gagnon from the UNH Cooperative extension, presented a summary of the findings from surveys and research concerning Food Insecurity in Carroll County. It was eye-opening and really informed us about

the needs of our greater community. I have included the QR code which will take you to the full summary report for you to read. **Carroll County Food Access Network**

After the presentation we had a report from Cathy B, Cathy D, and Diane regarding Spring Conference. Cathy D wrote up her impressions as a first time conference attendee. (See pages 3-5) At conference the Representative from International Altrusa Ileana Pacheco Morales presented pins to members who had sponsored new members. Diane presented them to Jess (2 new members), Sue Battles (2 new members),

and Pat McCoy (6 new members). These pins represent the accumulated number of members over the years. We thank them for being sponsors and keep up the good work.

Members present at the meeting signed up for the committees they want to work on next year. Also sign ups for End 68 hrs of Hunger packing and Habitat for Humanity meals were available. Tri-Tek is looking for volunteers this summer. Members paid their dues \$100 which is due by June 1st. We reviewed both the club budget and the foundation budget and after a couple of additions. Both budgets were approved.

The new Board of Directors was elected:
President - Jess Theberge
Vice-President - Diane Robinson
Secretary - Cindy Hyatt
Treasurer - Barb Kennett
Directors - Pat Hoffman, Tina Craig, and current Director Pat McCoy
Installation will be at the June meeting.

There was a 50/50 raffle and the winner received \$18, the club the other \$18. On a Happy / Sad note, Beth presented a card and a bouquet of flowers to Donna Smith who is relocating to South Carolina. Donna hasn't been a member for very long but we will miss her and wish her well. Reminders will be sent for Tri-Club

Birthday Party, Tri-Tek volunteer opportunity / fundraiser, Dues reminder for June 1st deadline.

Volunteering in March & April

Club members have had another busy month of service and volunteering. Something for everyone!

- Writing letters to deployed service members and including small items for care packages
- Monthly packing of End 68 hrs of hunger bags for children who are food insecure
- Serving lunch at the Gibson Senior Center and getting into the spring season
- One member Pat M served as a judge in the Miss MWV scholarship competition - she said it was an inspiring program and the young women who participated were impressive
- Two members volunteered at the MWV STEM expo and both plan to return next year, also hoping that other members will join them.
- The First Women's Expo at the North Conway Community Center was held and Altrusa had an information booth plus our story board on display.

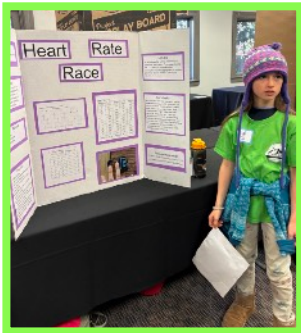

THE 2025 MWV Youth STEM expo

Two members of our club volunteered at the STEM expo. Cathy B worked on Tuesday and helped to set up and found her niche... sorting and folding the hundreds of participate T-shirts that were boxed up. Deb Doucet volunteered on Wednesday and served as a judge. Both have volunteered to work next year and encourage all members to consider taking this opportunity to encourage these young people in their future plans. Included here are a few photos.

There were at least 8 rooms set up with displays. Each room had close 15 to 20 exhibits. There were teams of judges who interviewed the exhibitors. After lunch there was a key note speaker, awards presentation and then the students were transported back to their schools to catch their busses home. It was amazingly well organized. The best part was seeing all the creative projects that were presented. Our Future is strong with all of this young people,

Pictured are a couple of the presenters as well as the back of the T-shirt showing Altrusa as a sponsor of this event. Emily Cauldwell is hoping to expand this next year to include all of the schools in Carroll

Finance Committee

Chairman: Cathy Baybutt, Foundation Treasurer

Members: Beth Wheatley Dyson, Barb Kennett Club Treasurer

Finance Committee involves:

- Creating budgets (both club and foundation)
- Supporting treasurers with their responsibilities
- Having an annual audit done of the accounts
- Assembling information for the accountant
- Helping with Grant applications if applicable

Cathy B requested that all the committees review their current year budgets. Then each committee was to review what was budgeted, what was spent and what needed to be eliminated and added. Once the data was compiled a budget was created. Copies of both the club budget and the foundation budget were presented to the board and to the membership at the May meeting. At the May meeting a couple of motions were made for additional budget items. These were voted on and approved by the membership. The budgets are used as a guideline for our activities for the next fiscal year. Because we are fortunate to have funds from the Charitable Gaming, that was left as a lump sum (\$20,000). The Community grants that were given last time will be reviewed and the needs of the community will be reassessed to see where we can best use this money. At some point the Community Grants committee will meet. This committee is open to all. We'll let you know at the June meeting what the plan.

Fundraising

- At Spring Conference Carroll County Altrusa donated two items for the fundraiser for International Foundation. One an assortment of wine and wine glasses, the other an assortment of Jams and Jellies. Over \$1200 was raised for Foundation from the silent auction and the 50/50 raffle.

- The Fundraiser fair netted the club \$276 for the club.

- The Hannaford book nook netted the foundation \$275.

- Winter farmers Market Jam sales netted the foundation \$216.

- The next big fundraiser that the club has is the June Calendar Raffle partnering with the Friends of Cook Memorial Library. At the May meeting members were given raffle tickets to sell. The tickets are \$5 each with 30 chances to win. Or you can purchase 5 tickets for \$20 which gives you 150 chances to win. One name will be drawn for each day of the month, but your ticket will be added back in to the basket after you win.

Reminder:

All tickets and money needs to be returned to either Cathy Baybutt or Diane Robinson before May 30th. The drawing starts on June 1st.

The calendar is included in the newsletter, if you need tickets, contact Cathy or Diane, they have them for you.

Today is your Birthday!!!

Why celebrate our birthdays together?

The three NH Altrusa clubs have history. The Laconia Club was founded in 1947, the Meredith club was founded by Laconia club members in 1981 and the Carroll County Club was founded by members of Meredith in 2006. So we are connected like family. When Carroll County held its Charter Banquet in May 2006, all three clubs were well represented. It was at that time that the clubs decided to host annual birthday parties.. together in a rotation. This year it is Meredith's turn, next year it will be Carroll County's turn and we will be celebrating a milestone of **20 years**. So please plan to attend the party, it's always fun to connect. Let's get some carpooling going. **See you on the 12th!**

Membership / Hospitality Committee

Co-Chair: Barb Kennett & Nancy Spaulding
Members: Diane Robinson, Marsha Brown, Peggy Poirier,
Pat Hoffman, Janel Maxwell, Kathy Laracy, Tina Craig

Dues reminder Renewal of annual dues is in the Month of May. Paid on June 1st. Most members gave Cathy B their dues checks at the May meeting. Renewing membership is \$100. Checks made out to Altrusa of Carroll County. Please get them to Barb prior to June 1st. If you are not renewing, please let her know as well. If you are a new member the dues are \$110 as there is a one time \$10 processing fee for new members this goes to International.

June 3rd - 5:30 - Meeting

The June meeting will be held on **Tuesday, June 3 at 5:30 at the Gibson Senior Center** in North Conway. **Note the location.** We will be sharing a meal, installing our new board of directors, initiating new members and enjoying social time together. An email will go out soon with details about what food to bring. Please respond in a timely manner so the committee can plan. Bring ideas for summer activities and let's enjoy each other's company as we get better acquainted with our newer members. For those who are joining us as new members please let Barb Kennett know that you will be there and that you have your paperwork and checks completed.
