President's Message

I cannot believe we are almost halfway through September! Where did summer go?! It feels like it was just getting started, and now here we are—hello, pumpkin everything! (I prefer apple!)

Fall is such a beautiful time of year, and I hope everyone is enjoying all that comes with it. Crisp mornings, changing leaves, apple picking, and everything else!

I'm excited to get back into the swing of our service projects and, of course, spend some time with all you ladies! And please don't forget about **Workshop in November at the Nonantum Resort**. It's just for the day, in a gorgeous location, and I promise—it's a lot of fun!

Thank you all for continuing to step up whenever and wherever you're needed. We truly make a great team, and I'm so grateful for each and every one of you!

Now go enjoy all the best parts of fall- family, friends, fairs, and football!

Jess

September Governor's Message

Hello All.

It is a difference in the calendars that while September brings the end of the official summer break in our hemisphere it also brings the beginning of many clubs' active season. Welcome back to all who took time off and thank you to those clubs who remained busy.

September is an exciting month for all of us. Please remind your members, District One's Fall Workshop is coming up. Please mark November 14th on your calendar. We'll be gathering once again at the beautiful Nonantum Resort in Kennebunkport, ME. The theme will be **'Keep the Spark Alive'** and focus on membership. How we attract, retain and grow our members. It is not only about numbers; it is about the opportunities we provide our members. They are not only active in their communities but are learning skills that will help them grow personally and professionally. Our host club, Greater Biddeford-Saco, is helping the Board identify a potential hands-on project for workshop. This will be a change of pace but will focus on what we Altrusans do best, service!

International President Chris has announced her new literacy challenge. It will run from September 1 –November 30th. They are keeping it easy, donating One book for each member of your club or more! Clubs can record donated books and literacy hours on the Service Committee's site, and all clubs that participate will earn a commemorative patch for their club banner. Send photos to the International office so they may share it on their social media platforms.

International Convention will be July 21–24, 2027, in Columbus, OH. There will be a special outside event for those who register early, so be sure to save the dates.

As the Board begins their club visits, remember that your Board and I are available outside those times to support the clubs. Whether you need guidance, ideas, or simply a listening ear, we're only a phone call or email away.

I look forward to seeing your community service projects on social media. In service,

Susan

District One Service Bulletin - September 2026

Be on the look out for an email from International. It will contain the DSB (District Service Bulletin). This newsletter is sent to all members in District One and covers all of our clubs as well as information and registration forms for the Fall Workshop **"Keep the Spark Alive"** being held at Nonantum resort in Kennebunkport, ME.

Please mark your calendars and plan to attend.

BOARD AND CLUB MEETINGS

Summary of meetings

ALTRUSA INTERNATIONAL OF CARROLL COUNTY, NH

Board meeting - August 31, 2026 - Madison Library

Attending: Jess Theberg, Diane Robinson, Cathy Baybutt, Pat Hoffman, Cindy Hyatt, Pat McCoy, Tina Craig, Lorraine Streeter

Treasurer - Preliminary Foundation budget was presented to the board by Cathy Baybutt. There were no significant adjustments, so the proposed budget for 2026- 2027 will be presented to the club at the September meeting. The one variable will be the funds received from the REVO Casino partnership.

Community Grants Committee & REVO Casino: We designate the majority of the funds from REVO to the community grants committee, that committee will be reconvened and will work on where our distributions might be made. Diane, Jess and Pat M will meet and organize plans for a display at the REVO casino. Details will be given at the September meeting

Waystation mix up - We had been asked via email to provide refreshments to an event at Waystation. Waystation thought that Altrusa had committed to this, but there wasn't a firm communication saying that. Tina purchased snacks and arranged for their delivery. To avoid similar communication difficulties it is recommended that a contact person be assigned through the Community Service Committee whenever a request comes in.

Announcements:

- Author event on Saturday, Sept 12th sponsored by Meredith Altrusa - invite was sent via email to all club members
- Rack Card - Cathy B and Beth have been working on new rack card. Have run in to technical difficulty and Cathy has a friend (who is graphic artist) who is going to hopefully assist.
- Gibson Center is extending hours of thrift shop and is looking for volunteers - contact Gibson directly if interested
- Dine to Donate at Tuckermans- to be confirmed by Pat M - Dec 3rd
- Pat M has a couple of speakers who might be available in the spring.
- Lorraine investigated the repurposing of medicine bottles (as suggested at spring conference). The program suggested didn't seem viable, but she'll check with animal shelters as they might like the bottles

Agenda items:

- Refreshments - Membership / Hospitality will have something light
- Get acquainted activity - 10 minutes - Tina
- Treasurer report - Foundation budget will be presented - Cathy Baybutt
- Communications - new front cover for directory - Beth
- Strategic Plan - We will break into committees and review the strategic plan and update
- Charitable Gaming - Sept 28- Oct 7th - Jess, Diane, Pat M explain events
- Community Grants Committee - Sign up - Cathy B
- Volunteer opportunities:
 - End 68 hrs Hunger
 - Halloween Town
 - Gibson Center lunches

COMMUNITY GRANTS COMMITTEE

*Providing financial support to
other non-profit organizations*

ALTRUSA INTERNATIONAL OF CARROLL COUNTY, NH

Current members: Lorraine S, Cindy H, Pat K, Pat M, Donna W, Cathy B

The Community Grants committee was formed the first year (2023) that we received funding from REVO Casino and our partnership with charitable gaming. The committee researched programs that helped the community but were challenged by funding and that were important to our members. That first year we targeted non-food essentials where people couldn't get items at food pantries. We provided donations:

**Gibson Senior Center,
Ossipee Concerned Citizens,
Waystation
Revolving Closet
Health Center - Diaper Depot**

We also donated to two organizations that we provide hands on volunteers

**The Laura Foundation
End 68 hrs of Hunger**

We donated to two organizations who support us

**Valley Promotions - publicity
Tamworth Farmers Market - free booth space at market**

We donated to two organizations that provide financial support through scholarships
**Carroll County Academy - scholarships for non-traditional students
North Country Cares - teens especially assisting with cost of drivers Ed**

The 2nd partnership allowed us to repeat some donations, evaluate the needs and add a couple new programs:

**Children Unlimited
Brown Church - assistance after their flood
Miss MWV Teen - Scholarship - which we now have pledged to support for 3 years**

We will receive funds in November from our 3rd time partnering with REVO. It would be effective if the committee could meet in Sept / October and decide what organizations we'd like to support, then when we have the funds we can quickly disburse the funds. We ask suggestions from all members, keeping in mind what our Altrusa mission is and how we can support our goals. We are anticipating \$20,000. Any remaining funds are used to offset our literacy and community service programs.

There will be a sign up sheet at the September 15th meeting. If you would like to join this committee, sign up then, or send an email to cathy and she will add your name to the roster.

I will gladly organize the committee and then if someone would like to be the chair, that would be great.
Cathy Baybutt

Thursday, Sept 24th - (9:30 to noon) - bag spices

Thur, Fri, Sat, Oct 1-2-3 - (8:30-noon) - apple cleanup, prepping pans, making crisp toppings, top & bake

Thur, Fri, Sat, Oct 5-6-7-8 (8:30-noon) - apple cleanup, prepping pans, making crisp toppings, top & bake

- 3 people for apple cleanup
- 2 people to make crisp topping
- 2 people to top and bake crisp

There will be a sign up sheet at the September meeting or contact Judy Workman if you are able to lend a hand.

HALLOWEEN TOWN - October 24th - 3-8 PM in Support of the Laura Foundation

We are so happy to hear that Halloween Town will return for another year. It was uncertain at the end of last year but the board of the Camp Tohkomeupog has pledged to continue hosting this significant event that benefits The Laura Foundation

Sue Battles will bring a sign up sheet to the September meeting and signups will also be at the October meeting. Pat Kehoe will be our Coordinator.

We have four ways to support this important fundraising event:

- Volunteer to work a shift - one day event
- Donate a bag of candy (please bring it to the September and / or October meeting. Pat Kehoe will deliver it).
- The committee also discussed perhaps purchasing candy and we'll discuss that at the meeting.
- Vote to sponsor this event with a donation (we did this last year with our community Grants committee)

Sign up to volunteer - Sign up sheets will be at the meeting or contact lead person.

Gibson Senior Center - lunch service

Habitat for Humanity - Lunch for volunteers

Once a month

Monthly Volunteer projects

Serving lunch at Gibson Senior Center

For several years club members have volunteered at the Gibson Senior Center to serve lunch. This is a once a month commitment on the 2nd Tuesday of the month. There are often additional meals that we volunteer to serve especially holiday meals, St. Patrick's Day, Thanksgiving, Christmas, Spring. Check with Pat M if you'd like to serve.

Habitat for Humanity Lunches

This year, Altrusa members have committed to providing lunch for the volunteers working with Habitat for Humanity. Every Thursday, volunteers gather at the Habitat for Humanity house in Albany to work on construction projects, and twice each month, Altrusa provides lunch for the hardworking crew.

On the 16th, Lorraine, Cathy D., and Diane H. provided lunch.

On the 23rd, Cathy B., Diane R., and Susan W. delivered lunch. We are pleased to support Habitat for Humanity and thank our members for giving their time to make these lunches possible.

End 68 Hrs of Hunger MWV

Altrusa was asked to continue packing weekend food bags during the summer... So of course we did pack on our usual 4th Thursday of the month. Bags were distributed to some of the summer programs and day care centers that we support during the school year. Full packing will start back up in September. Sign ups will be available at the September meeting.

Starting Point (startingpointnh.org)

Jess has completed her training as a Starting Point Volunteer, so it seemed most appropriate that she take over as contact person for Starting Point. The week before school started she received a request for supplies and for items for a family who were living at the shelter. There were children who needed school supplies, back packs etc. As usual, members reached out and made trips to local stores purchasing items on the list as well as cleaning supplies and necessities for the house. Thank you to all who shopped. Please remember to let Cathy B know the total amount you spent and she will write you a reimbursement check. If you donated the items, please let her know the estimated value. One of our goals this year is to keep track of in-kind donations. Just send an email to Cathy

Sense of Wonder Creations (senseofwondercreations.org)

Our club had been looking for an opportunity to support an International Project. Member Shawn had served on several medical teams that provide support in Haiti, and African Countries. She had volunteered at Sister Flora's orphanage in Haiti. She also had been evacuated from there because it was unsafe for volunteers. Haiti is a very unstable country. The Sense of Wonder Creations (from Martha's Vineyard) has as one of their outreach projects connected with the Orphanage and the community. Shawn called her connection there and they said that although they were not able to sail to Haiti with supplies, that financial contributions would be delivered. Club members voted to sent \$500 to Sense of Wonder Creations specifically to support the Orphanage and the school. The money was divided between the two with the school portion going towards the arts programs. Shawn hesitated to recommend our continuing support going in to this next year as the political situation in Haiti is worse than ever and she had no guarantee that the funds would arrive there.

Altrusa is an International Organization and clubs are encouraged to reach across borders to help. If any member has another idea for support Internationally, please share it with the club for consideration.

Days for Girls (daysforgirls.org)

Altrusa International has been a supporter of Days for Girls for many years. Two clubs in District One (Northeast CT and Merrimac Valley) support a local DFG chapter. These chapters construct the kits that are sent around the world. For several years our club has supported the Merrimac Valley club, first by purchasing items needed for the kits and in recent years contributing \$500 to them for any of their costs that go in to making the kits.

Next meeting, September 14th, 10 AM - Lorraine's house.

During the summer the literacy committee programs, **Mail for Me** and **Make Way for Readers** are on pause. These programs run from September to June.

The **Baby Book Bags** program is a year round program. Last year we expanded to a 2nd library. Our talented crafters have assembled these book bags for distribution to the Freedom Town Library as well as the Cook Memorial Library in Tamworth. As you can see, they are colorful and inviting. Besides information about the library's children's programs we include literature about the importance of reading to children.. even newborns. The friends programs of the library include early reader books. Special thanks are extended

to member Becky for her beautiful monogramming work on the bags.

In December we will provide books to each child who attends the annual Christmas Party which we host for Foster families in Carroll County. We have received generous donations of books from the Portland, Maine Altrusa club through their partnership with their local BAM book store. We always appreciate partnering with our sister Altrusa club.

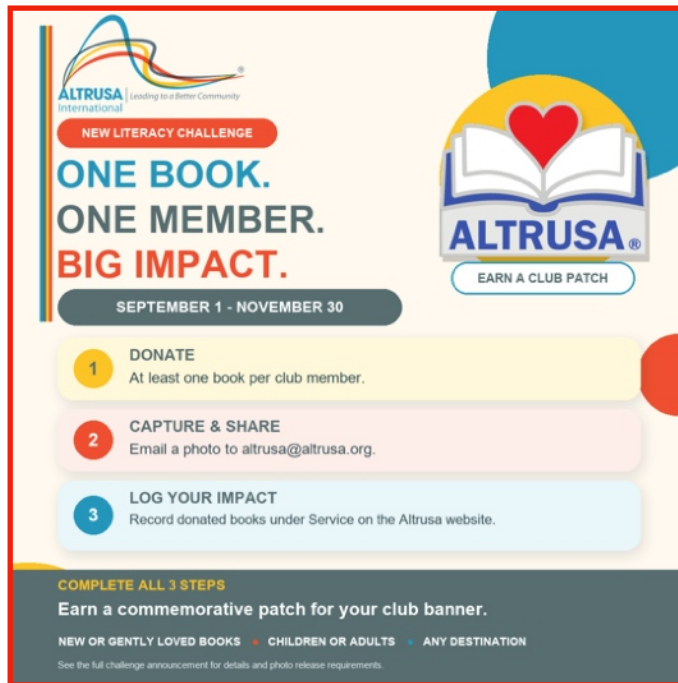

The newest initiative was providing used books to a variety of Little Free Libraries in the MWV. Pictured here is the library located at the famous Leavitts' Bakery in Conway. The Little Free Library is registered and installed by The Friends of the Conway Library. They regularly check the library for books and fill when needed. ("take a book and leave a book" is the motto but not always followed.)

Altrusa donated many books early in the summer and Pat H & husband filled the library and continued to check the library and fill it as needed with books from Conway Library. This location is very busy during the summer because it is located at a bakery near a campsite and campers often get breakfast at the bakery and check the books. Children's books and paperback books are most in demand. Pat H

Some information: There are 200,000 registered boxes across 128 countries. All 50 United States are included as well as all 7 continents, Antarctica included!

ALTRUSA INTERNATIONAL OF CARROLL COUNTY, NH

Chairman: Cathy Baybutt, Foundation Treasurer

Members: Diane Robinson, Deb Doucet,
Barb Kennett, Cindy Hyatt,

Finance Committee involves:

Creating budgets (both club and foundation) * Supporting treasurers with their responsibilities
Having an annual internal audit done of the accounts * Assembling information for the accountant
Helping with Grant applications if applicable * Filing annual report to Altrusa International Foundation

Fundraising Committee Meeting

The Fundraising Brainstorming Meeting ended up not happening. Hopefully we'll schedule a better time to work on future fundraising projects. All are welcome to suggest ideas and to help organize activities. Your input and creativity can help shape our future fundraising efforts.

Our partnership with REVO CASINO is scheduled for **September 28th to October 7th**. If you are curious about the Casino or a regular player, go visit and have a little fun. Thank you to REVO for choosing Carroll County Altrusa.

Fundraising for the Club

I've been making Jams and Jellies for several years and all the proceeds from sales go to our Altrusa Foundation. My friends at Again and Again Farm sell them at their booth at the Tamworth Farmers Market. One of the rules of separating fundraising between the club and the foundation is that any revenue generated by involving the general public has to go to the foundation.

There is an opportunity to raise funds for the club by only selling items to members. If any member would like to purchase these preserves, that money would go to the club. In turn it could be used to offset the expense of attending workshops and conferences or hosting a membership event. Let me know if anyone wishes to purchase preserves, I'll gladly bring them to a meeting. Current flavors available are Blood Orange Marmalade, Hot Pepper Jelly, Blueberry Jelly, Peach Jam, Strawberry Jam, Strawberry Rhubarb Jam, Rhubarb Ginger Jam and Apple Cider Jelly. They are \$8 a jar. If anyone has jelly jars that they don't know what to do with, I'll gladly take them. That is the most expensive part of making the jams.

Mini Golf Fun at Pirate's Cove!

June

Join us for a fun afternoon of mini golf at Pirate's Cove Adventure Golf

Thursday, June 18th. Meet at 11:00 AM.

Unfortunately we had to cancel our Mini Golf outing. torrential rain. Hopefully we'll be able to participate next June. All tickets that we purchased did go to support Jen's Friends.. so the event was still a success.

Barnstormers Summer Theatre Outing

July

We had a small attendance at the Barnstormers Theater.. but it was still enjoyable. We met at Cathy's house for some refreshment and conversation. Tina & husband, Charles, Sue B and Deb D, Cathy, her daughter, Shar and granddaughter, Seijan. The show was Eureka Day.. which addressed current topics in a very interesting way.

Summer Fun at Schouler Park - July 21st

July

Our evening began at the North Conway Farmers Market, then we were entertained by the Mount Washington Valley Band. The rain held off long enough for Beth to share with the audience about our 20 years of Altrusa service and to conduct the first song of the evening. Several members stuck around despite the impending rain and thoroughly enjoyed the tribute to Broadway shows.

Housekeeping Reminder

At the September meeting we will have inserts for the club member directory. To save on printing costs, we'll ask members to insert the new cover. We'll plan to update the yearbook next summer with a new printing,

Help Us Track In-Kind Donations

Our members generously donate supplies, materials, and baked goods throughout the year, and we'd like to better capture the impact of those contributions. If you purchase items for a club project, donate supplies to a community partner, or provide materials for a fundraiser, please send an email to Cathy Baybutt with the subject line "**Altrusa – In-Kind Donation.**" Simply include a brief description and value of the donation (for example: *Toilet paper for Starting Point – \$8* or *Fudge-making supplies for fundraising – \$22*). At the end of the year, we'll total these contributions and celebrate the remarkable generosity of our members. Thank you for helping us keep better records and showcase the full impact of our service!

— *Cathy Baybutt*

Service Hours:

On the first of each month, Lorraine sends a reminder to the membership. The reminder is for you to tally up your service hours from the previous month. These hours include your volunteer time at an Altrusa sponsored event, your time helping others, your time organizing for Altrusa, your time fundraising for Altrusa, your time attending meetings, workshops, conferences. Since many of us drive a distance to attend meetings and volunteer, that time should also be included. It may seem tedious, but I usually have an Altrusa event in my calendar, so I can look back and see that I attended a board meeting, a club meeting and packed 68hrs of hunger .. So I have 6 hrs. I also know that I spend time at home, answering emails, writing the newsletter, doing treasurer's work. So that adds up. If you shop for Starting Point.. include your time to shop and to deliver. And then report them to Lorraine.. either by email or on the sheet that she passes around at each meeting. These hours are totaled together and have contributed to our club successfully achieving a Distinguished Club Status for several years. YOU are the reason we are successful. Thank you for your service.
